

Let us take the headache out of your next complex case.

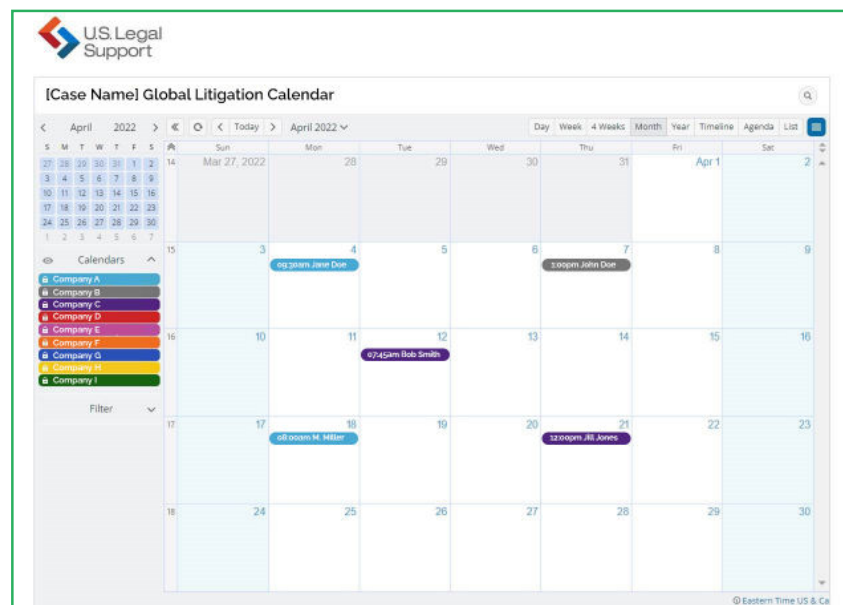

With decades of experience supporting the legal industry, we're aware of the complexity litigation creates and are uniquely equipped to support your high-exposure cases. For multi-district litigation and other complex cases, we offer personalized, concierge-style service, which includes:

- Logistics and planning on your behalf (we can coordinate with opposing counsel, track down deliverables, manage invoicing, and more).
- On-demand access to our network of 12,000 office locations in 2,700 cities across the country.
- A "one stop shop" for your team for all litigation support needs including court reporting, record retrieval, trial consulting and more. No need to work with hundreds of outside vendors in multiple locations!
- A single point of contact with a dedicated contact email and phone number for assistance with all litigation support needs. (No automatic replies from a generic team!)
- Premier access to U.S. Legal Support's top tier court reporters.
- Early case assessment with our in-house jury consultants.

U.S. Legal Support Global Litigation Calendar

Complex case management clients receive complimentary access to our seamless, all-in-one litigation calendar.

- The calendar is fully customizable to group events by company name, party name, location, etc.
- Scheduling documents can be made available for download within each specific calendar entry, such as a Notice of Deposition
- Filter calendar view by party
- Preferences can be set individually, including time zone
- Timeline, Agenda and List Views provide high-level views of the litigation calendar
- Calendar administration by U.S. Legal Support
