

Construction

U.S. Legal Support has experienced teams who specialize in complex construction cases to provide you with the support and resources your matters require. We offer seasoned court reporters nationwide who have vast experience with construction cases and who are familiar with construction terminology. When it's time to educate your jury, from outlining the critical path of construction to complex, multi-step building processes, our team offers 2D and 3D animations and illustrations to communicate complex concepts more easily.

Specialized Court Reporting for Construction Cases
